

## Friends In Fall River

Silverstein

Let's go!

Your life lives half a nation away,  
my heart hurts so.  
I believe letting you go was  
the biggest mistake of my life.

What did I do?  
Alone and confused.  
What can I say?  
What can I do?

I'm heading the wrong way home.  
Knowing alone is alone.  
It's just too difficult to be  
just me instead of we.

What did I do?  
Alone and confused.  
What can I say?  
Nothing.

I don't know where to begin  
'cause you left me for him.  
I don't know where to begin  
since you left me for him.  
I don't want to start again,  
and I can't be your friend.  
I don't know where to begin  
now you left me for him.
