

My Consolation

Silverstein

You left me,
Now you come back to me,
Saying it's changed
And we're not the same people we once were.

And you beg to be back with me,
I can't see anything but you.

Every night, I see you there.
Everyday, I hate you and everything we once were.
You keep saying it's changed and we're not the same.

And you beg to be back with me,
now I can't see anything.

I won't forget everything that you put us through.
I won't forget everything that you put us through.
Every night, I see you there.
Everyday, I hate you.

Crying can't carry you back to me.
