

Summer's Stellar Gaze

Silverstein

As time passes us by and hurries us with pride,
we'll have the past for the rest of our lives.
Don't lose touch with reality,
compensate for life's stupidity.
I wait for it.
You know that it's true.
You cannot lose.

A summer can't be forgotten
Summer's Stellar Gaze
from the words that you speak
Summer's Stellar Gaze
Summer's Stellar Gaze
Summer's Stellar Gaze
Summer's Stellar Gaze

Don't lose touch with reality,
compensate for life's stupidity.
I wait for it.
You know that it's true.
You cannot lose.

As time passes us by and hurries us with pride,
we'll have the past for the rest of our lives.
I wait for it.
You know that it's true.
You cannot lose.
You're one of the few.
I wait for it.
You know that it's true.
You cannot lose.
You're one of the few.

Summer's Stellar Gaze.
