

Here We Are (Chancer)

Silversun Pickups

Here we are
Underneath a million leaves
In shadows of
Compromising scenes

When I was young
I dreamed this would be
Steamier

But I've got one chance to move you
One chance to move you
So here we are

I'm running out
Of sounds to let you down
I can't call it all
Or gain higher ground

Luck of the draw
Is all that's allowed
Is it easier?

If it's the right time to lose you
Right time to lose you
So here we are

Here we are
Here we are
Here we are (The right time?)
Here we are

I've got one chance to move you
One chance to move you
Is it the right time to lose you,
Right time to lose you...
