

## Mean Spirits

Silversun Pickups

In backyard burnings  
I'm easily amused  
Their backs start curling  
They're running out of room  
Your mouth is sharpened  
In a gruesome display  
But I'm still waiting  
For something nice to say...

My spirits are high  
Mean spirits high...

Please go on and on  
There's beauty in your venom  
I love to play and sing along  
I love to play and sing along  
Too late to decide  
My lips are opened wide  
I love to play and sing along  
I love to play and sing along...

You stare at my shoulders  
Are you surprised to see?  
One more devil  
Where angel wings should be...

My spirits are high  
Mean spirits high...

Please go on and on  
There's beauty in your venom  
I love to play and sing along  
I love to play and sing along  
Too late to decide  
My lips are opened wide  
I love to play and sing along  
I love to play and sing along...

High high high high high high high high...

Please keep going on oh  
That sweet venom  
I love to play and sing along  
I love to play and sing along  
Too late to decide  
My lips are opened wide  
I love to play and sing along  
I love to play and sing along...
