

Anticipation

Simon Carly

1. We can never know about the days to come
But we think about them anyway, yeah
And I wonder if I'm really with you now
Or just chasin' after some finer day

R: Anticipation, anticipation
Is makin' me late
Is keepin' me waitin'

2. And I tell you how easy it feels to be with you
And how right your arms feel around me
But I, I rehearsed those words just late last night
When I was thinkin' about how right tonight might be

R: Anticipation...

3. And tomorrow we might not be together
I'm no prophet Lord I don't know nature's ways
So I'll try and see into your eyes right now
And stay right here 'cause these are the good old days

These are the good old days
And stay right here 'cause these are the good old days
