

## Anticipation

Simon Carly

1. We can never know about the days to come  
But we think about them anyway, yeah  
And I wonder if I'm really with you now  
Or just chasin' after some finer day

R: Anticipation, anticipation  
Is makin' me late  
Is keepin' me waitin'

2. And I tell you how easy it feels to be with you  
And how right your arms feel around me  
But I, I rehearsed those words just late last night  
When I was thinkin' about how right tonight might be

R: Anticipation...

3. And tomorrow we might not be together  
I'm no prophet Lord I don't know nature's ways  
So I'll try and see into your eyes right now  
And stay right here 'cause these are the good old days

These are the good old days  
And stay right here 'cause these are the good old days
