## **Ev'ry Time We Say Goodbye**

**Simon Carly** 

Everytime we say goodbye I die a little Everytime we say goodbye I wonder why a little Why the gods above me who must be in the know Think so little of me, they allow you to go

And when you're near there's such an air of Spring about it I can hear a lark somewhere begin to sing about it There's no love song finer but how strange the change from majo r to minor Everytime we say goodbye

Why the gods above me who must be in the know Think so little of me, they allow you to go And when you're near there's such an air of Spring about it I can hear a lark somewhere begin to sing about it

There's no love song finer but how strange the change from majo r to minor Everytime we say goodbye, everytime we say goodbye Everytime we say goodbye, everytime we say goodbye....
