

# I Get Along Without You Very Well

Simon Carly

I get along without you very well  
Of course I do  
Except when the soft rains fall  
And drip from the leaves, then I recall  
The thrill of being sheltered in your arms  
Of course I do  
But I get along without you very well

I've forgotten you just like I should  
Of course I have  
Except to hear your name  
Or someone's laugh that is just the same  
But I've forgotten you just like I should

What a guy  
What a fool I am  
To think my breaking heart could kid the moon  
What's in store  
Should I phone once more  
No it's best that I stick to my tune

I get along without you very well  
Of course I do  
Except perhaps in Spring  
But I should never think of Spring  
For that would surely break my heart in two
