

I'll Be Around

Simon Carly

I'll be around
No matter how you treat me now
I'll be around
When she's gone
Your latest love
Will never last
And when it's past
I'll be around when she's gone

Goodbye again
And if you find a love like mine
Just now and then
Drop a line to say (that) you're feeling fine

And when things go wrong
Perhaps you'll see you're meant for me
And I'll be around when she's gone

I'll be around
When she's gone
