Julie Through the Glass

Simon Carly

Julie through the glass Lookin' up at me You've just got to be The sweetest thing I've ever seen.

Julie through the glass Just born a day ago And who knows where you've been And where you're gonna go.

We want you to love the world To know it well and play a part And we'll help you to learn to love yourself 'Cause that's where loving really starts.

Julie through the glass I'm looking forward to Doing things with you For many years to come.
