

# Just Like You Do

Simon Carly

If you think you're alone  
that you're the only one who is afraid  
Let me tell you, I feel just like you do  
And sometimes I stand back  
From desires and dreams I don't understand  
They overwhelm me  
I feel just like you do

[Chorus:]

I feel just like you do  
I feel just like you do  
Just like you do  
Just like you do  
I feel just like you do  
Just like you do  
I feel just like you do

And when it comes to love  
You want me to be the one to say  
The words: I love you  
But I feel just like you do  
But let's try to return  
To that brave innocence we once knew  
I wish you were an ocean  
So I could jump into you

[Chorus]
