

The More I See You

Simon Carly

The more I see you, the more I want you
Somehow this feeling just grows and grows
With every sigh I become more mad about you
More lost without you and so it goes

Can you imagine how much I love you?
The more I see you as years go by
I know the only one for me can only be you
My arms won't free you and my heart won't try

Each time I look at you is like the first time
Each time you're near me the thrill is new
And there is nothing that I wouldn't do for
The rare delight of the sight of you

With every sigh I become more mad about you
More lost without you and so it goes

Can you imagine how much I love you?
The more I see you as years go by
I know the only one for me can only be you
My arms won't free you and my heart won't try
My arms won't free you and my heart won't try

Each time I look at you is like the first time
Each time you're near me the thrill is new
