Where or When

Simon Carly

Sometimes you think you lived before All that you lived today Things you do come back to you As if they knew the way All the tricks your mind can play

It seems we stood and talked like this before We looked at each other in the same way then But I can't remember where or when

The clothes you're wearing are the clothes you wore The smile you are smiling you were smiling then But I can't remember where or when

Some thing's that happened for the first time Seem to be happening again And so it seems that we have met before And laughed before and loved before But who knows where or when

Some thing's that happened for the first time Seem to be happening again And so it seems that we have met before And laughed before and loved before But who knows where or when But who knows where or when
