

# Eye Of The Tiger

Simon Curtis

Risin up  
back on the street  
did my time took my chances  
went the distance now I'm back on my feet  
just a man and his will to survive  
so many times  
it happens too fast  
you trade your passion for glory  
don't lose your grip on the dreams of the past  
you must fight just to keep them alive

It's the eye of the tiger  
its the cream of the fight  
risin up to the challenge of our rivals  
and the last known survivor stalks his prey in the night  
and he's watching us all with the eye of the tiger

Face to face  
out in the heat  
hanging tough  
stayin hungry  
the stack the odds still we take to the street  
for the kill with the skill to survive

It's the eye of the tiger  
its the cream of the fight  
risin up to the challenge of our rivals  
and the last known survivor stalks his prey in the night  
and he's watching us all with the eye of the tiger

Risin up  
straight to the top  
had the guts got the glory  
went the distance now I'm not gonna stop  
just a man and his will to survive

It's the eye of the tiger  
its the cream of the fight  
risin up to the challenge of our rivals  
and the last known survivor stalks his prey in the night  
and he's watching us all with the eye of the tiger

The eye of the tiger  
The eye of the tiger  
The eye of the tiger
