

# Ashamed

Simon Webbe

Is there something wrong tonight  
Or am i being paranoid  
I guess I might have had  
A little too much to drink  
I wonder who she's talking to  
Cos I'm about to act the fool  
I smell something cooking and  
I don't know what to think

What's going on?  
I don't know whose right or wrong  
Yeah, Tell me babe  
It looks like you've been crying  
What did he say before he walked away  
Maybe I was outta line thinking you  
were flirting with another guy...

I realise that we all can make mistakes  
And I'll do whatever it takes babe  
(you know I'd do anything for you)  
I don't know if I could stand the pain  
If you'd taken your love away babe  
If you asked me now I guess I feel  
Ashamed

Ashamed, Ashamed, Ashamed

I didn't mean to cause a fight  
Cross my heart and hope to die  
I guess I'm terrified of the thought  
Of losing you  
You say he's just a friend  
But I don't think it's true  
Once upon a time it would never have  
crossed my mind

What's going on?  
I don't know whose right or wrong  
Yeah, Tell me babe  
It looks like you've been crying  
What did he say before he walked away  
Maybe I was outta line thinking you  
were flirting with another guy...

I realise that we all can make mistakes  
And I'll do whatever it takes babe  
(you know I'd do anything for you)  
I don't know if I could stand the pain  
If you'd taken your love away babe  
If you asked me now I guess I feel  
Ashamed

Ashamed, Ashamed, Ashamed (2x)

I realise that we all can make mistakes  
And I'll do whatever it takes babe  
(you know I'd do anything for you)

I don't know if I could stand the pain  
If you'd taken your love away babe  
If you asked me now I guess I feel  
Ashamed
