Ashamed

Simon Webbe

Is there something wrong tonight Or am i being paranoid I guess I might have had A little too much to drink I wonder who she's talking to Cos I'm about to act the fool I smell something cooking and I don't know what to think

What's going on? I don't know whose right or wrong Yeah, Tell me babe It looks like you've been crying What did he say before he walked away Maybe I was outta line thinking you were flirting with another guy...

I realise that we all can make mistakes And I'll do whatever it takes babe (you know I'd do anything for you) I don't know if I could stand the pain If you'd taken your love away babe If you asked me now I guess I feel Ashamed

Ashamed, Ashamed, Ashamed

I didn't mean to cause a fight Cross my heart and hope to die I guess I'm terrified of the thought Of losing you You say he's just a friend But I don't think it's true Once upon a time it would never have crossed my mind

Ashamed, Ashamed, Ashamed (2x)
