Colours Fly and Catherine Wheel

Simple Minds

"Belle"

Never turn your back Great times attack Inexpensive thrills

And I said Belle
Of all the friends who care
Some should be seen
But never heard

Colours Fly and Catherine Wheels Poor girls cry In the beauty of both worlds

Catch a boy Fell Falling Fall in love Fell Falling Catch a boy Fell Falling Fall in love Fell Falling Catch a boy Fell Falling Out of the Sky

"Belle"

When the pulses rise Love will tranquilize Just before it kills

And I said Belle You turn them on With your reflection I know so well

Colours Fly and Catherine Wheels Poor girls cry In the beauty of both worlds

Catch a boy Fell Falling Fall in love Fell Falling Catch a boy Fell Falling Fall in love Fell Falling Catch a boy Fell Falling Out of the Sky

Catch a boy Fell Falling
Fall in love Fell Falling
Catch a boy Fell Falling
Fall in love Fell Falling
Catch a boy Fell Falling
Out of the Sky
Out of the Sky

Colours Fly and Catherine Wheels Some girl cry Over her boyfriend When Colours Fly and Catherine Wheels

So when the colours fly And when the catherine wheels...
