

Face in the Sun

Simple Minds

It's ok to be lonely
It's ok, still waiting for
Well it's ok to feel you're the only
Like a loaded gun just bound to explode
Just like the story goes
If you been raised
To believe in your soul
I'm sure you'll find your face
Face in the sun
Face in the sun
Face in the sun

Well it's ok to be loved with
The way the sun shines above your face
Well it's ok if you've had enough of this
A lack of light been around for days
Inside thinking of sunsets
Leaving behind
I hope I find my face
Face in the sun
Face in the sun
Face in the sun
I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I
Face in the sun
Face in the sun
Face in the sun
Face in the sun
I hope you find it
I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I
