

## Glittering Prize

Simple Minds

Shine On, Shine the Light on me,  
In all of my Life so that much more I see  
In the Light of his Love  
In the Light of reflection  
Oh what a world  
Or sometimes oh so it seems  
Eyes in the skies  
In that silver gift friendship  
A Glittering Prize  
Is it the prize of lost loves  
They can remember quiet sides of midnight  
They can remember the attraction of fame  
Like a Glittering Prize  
I saw up on a clear day  
First taking hearts  
Then our last breath away

Always came a time - time was on our side  
We were spending time - we were staring out  
Catch me in a dream - Captured all in heart  
We were spending time - we were staring out  
Could there ever be - ever more than one  
It's called an act of Love  
Can you you never stop?

Shine On, Shine the Light on me,  
In all of my Life  
So much more I see  
Like a Glittering Prize  
I saw you up on a clear day  
First taking heart then our last breath away  
Only on a clear day coming into our lives

See it in the eye - satellite skies  
We were spending time - we were staring out  
Take in, Take in more - The Endless breath away  
We were spending time - we were staring out  
Could there ever be - ever more than one  
It's called an act of Love  
Can you you never stop?

Always on a clear day  
Crashing into our lives  
Is it the Price of Love  
Like a Glittering Prize  
Always on a clear day  
Crashing into our lives  
With your love  
Only on a clear day
