Shine On, Shine the Light on me, In all of my Life so that much more I see In the Light of his Love In the Light of reflection Oh what a world Or sometimes oh so it seems Eyes in the skies In that silver gift friendship A Glittering Prize Is it the prize of lost loves They can remember quiet sides of midnight They can remember the attraction of fame Like a Glittering Prize I saw up on a clear day First taking hearts Then our last breath away

Always came a time - time was on our side
We were spending time - we were staring out
Catch me in a dream - Captured all in heart
We were spending time - we were staring out
Could there ever be - ever more than one
It's called an act of Love
Can you you never stop?

Shine On, Shine the Light on me,
In all of my Life
So much more I see
Like a Glittering Prize
I saw you up on a clear day
First taking heart then our last breath away
Only on a clear day coming into our lives

See it in the eye - satellite skies
We were spending time - we were staring out
Take in, Take in more - The Endless breath away
We were spending time - we were staring out
Could there ever be - ever more than one
It's called an act of Love
Can you you never stop?

Always on a clear day Crashing into our lives Is it the Price of Love Like a Glittering Prize Always on a clear day Crashing into our lives With your love Only on a clear day
