

## Kick It In

## Simple Minds

Love gives me poetry  
Stays up all night and puts a curse on me  
Oh anything you want  
Turn around and I'll take you there  
I know it's going to be  
Take your shackles off o' me  
This city's gone, I'm gone over there  
Kick it in, kick it in  
Build it up and burn it down again  
Kick it in, kick it in  
Burn down to the ground  
Kick it in, kick it in  
Tell me about this place you've been  
I don't want it there's a fever going around

Take a walk down town  
See what's going on  
If you want to find a hidden key  
There's nothing here on me  
Any city, anywhere  
Any colour I don't care  
You belong to me  
And that's the way it's gonna be

Kick it in, kick it in

Yeah kick it in, kick it in  
Raise it up and let it live again  
Feel your body shake and take off  
You can lie but keep it in  
Keep me down here wondering  
So what's it going to be  
Come on in  
I like the shape you're in  
You keep me wondering, wondering, wondering

Eyes upon you black and brown  
Spread your love all over town  
Give me fire, body heat  
Say hello to me  
I want to go anywhere  
Any colour I don't care  
Don't believe in all you see  
And don't get caught

Kick it in, kick it in  
Tell me about this love you've been  
Kick it in, kick it in  
Turn this life around  
Kick it in, kick it in  
Shake the ghosts from deep within  
Close the door down  
Don't let the demons in

Kick it in, kick it in  
I only want to be your friend  
Put your hands in my hand

And take off with me

Listen baby, I'm going home  
I'm going home  
I'm going home  
Come on walk with me

Cause I know what I see  
Kick it in  
Kick it in, kick it in  
Tell me 'bout the place you're in  
I've got a new gold dream  
I'm moving on, I'm moving on  
You're moving on, you're moving on  
You're moving on, yeah  
Kick it in, kick it in  
I'm moving on
