

# No Cure

Simple Minds

I see them walking  
You know they're walking at night  
Ohh in the dark you know  
They're shining out so bright  
Your sarky voices are gonna come on so near  
As every picture becomes so clear

You  
You come on so sharp  
Yet be so nice  
Tell me that you're so hot  
But you're as cold as ice

There is no cure  
You're so blind can't you see?  
There is no cure  
Can't buy no immunity  
There is no cure  
So keep your evil from me  
There is no cure.

They like to stay  
Ooh come on  
Come on and stay up so late  
You gonna talk of all the things you just wanna hate  
You wanna come on  
Come on  
And make me so mad  
Inside your heart  
I know it feels so bad  
You  
You come on so sharp  
Yet be so nice  
Tell me that you're so hot  
But you're as cold as ice

There is no cure  
You're so blind can't you see?  
There is no cure  
Can't buy immunity  
There is no cure  
So keep your evil from me  
There is no cure

Come on and do it  
Just what to do it  
They're going to do it  
Just want to do it

There is no cure...
