September '77 Port Elizabeth weather fine It was business as usual In police room 619 Oh Biko, Biko, because Biko Oh Biko, Biko, because Biko Hiromija, Hiromija The man is dead, the man is dead When I try to sleep at night I can only dream in red The outside world is black and white With only one colour dead Oh Biko, Biko, because Biko Oh Biko, Biko, because Biko Hiromija, Hiromija The man is dead, the man is dead

You can blow out a candle
But you can never blow out a fire
Once the flames begin to catch
The wind will blow it higher
Oh Biko, Biko, because Biko
Oh Biko, Biko, because Biko
Hiromija, Hiromija
The man is dead, the man is dead

And the eyes of the world are watching you now They're watching you now, watching you now Watching you now, watching you now They're watching you now You gotta waken up, you gotta face up I think you gotta open up The eyes of the world are watching you now You gotta waken up, you gotta face up You know you can never turn away Never turn away
