She don't need no rocket ship (rocket ship) Just close her eyes and takes a trip Baby's big on aviation (aviation aviation) Baby loves a levitation (levitation) Yes shes a spaceface going round Shes never coming down (coming down coming down) My little spaceface floating round Shes never coming down (coming down) Never coming down Never coming down (coming down coming down) Baby's talking to the stars Aint got time for idle wars (space space space) And I don't worry anyway As long as I know shes ok (shes ok) Yes shes a spaceface floating round Shes never coming down (coming down) My little spaceface floating round Shes never coming down (coming down coming down) Shes a spaceface floating round Shes never coming down (coming down) My little spaceface floating round Shes never coming down (coming down coming down) Never coming down (coming down)

Dont know what you see
I'll be there if you wait for me
I will soon be home
I'll be there if you're not alone
Ah spaceface
My little spaceface
Ah spaceface
Never falling down
Never falling down
Yeah, shes a spaceface floating round
Shes never coming down (never coming down)
My little spaceface floating round
Shes never coming down (never coming down)
Never coming down

Never coming down Never coming down

She never coming down Never coming down
