

Stay Visible

Simple Minds

The road opens wide
There's space here for the two of us
We'd like to call you
But now we are tired

The text is the same
The music as well
I'm just making this up
As I go along

Stay visible
How to stay visible when driving a motorcycle
Stay visible
How to stay visible when driving home alone

(La-la-lala)

The road keeps on flowing
I feel like I'm drowning
And in this little place
My bike does not fit
It does not fit in my parking space

Stay visible
How to stay visible when driving a motorcycle
Stay visible
How to stay visible when driving home alone
