

The Needle and the Damage Done

Simple Minds

I caught you knocking at my cellar door
I love you, baby, can I have some more?
Oh, the damage done

And I hit the city and I lost my band
See the needle, take another man
Oh, the damage done

I sing the song because I love the man
I know that some of you don't understand
Milk blood, keeps from running out

I've seen the needle and the damage done
A little part of it in everyone
But every junk's like a setting sun

I caught you knocking at my cellar door
I love you, baby, but I want some more
Oh, the damage done

The damage done
The damage done
