

# This Earth That You Walk Upon

Simple Minds

What's your name  
What's your nation  
Sense of order  
Sense of speed  
Earth that you walk upon  
Shakes his hand  
Turns away  
Turns his back and walks away  
Earth that you walk upon  
Earth that you walk upon

What's your name  
What's your nation  
Sense of order  
Sense of speed

Earth that you walk upon  
Passing on and on  
Earth that you walk upon

Screaming edge of light  
Shines so shines so hard  
Earth that you walk upon  
Turning on
