Up on the Catwalk

Simple Minds

Up on the catwalk, a big wheel is spinning And dollars to deutchmarks, and pennies from heaven And up on the catwalk, theres one hundred million With letters from thousands that say ``just who are you? Theres one thousand names that can spring up in my mind But youd call it blackmail and thats just not my kind And up on the catwalk, up on the catwalk And I dont know why

I will be there, I will be there, I will be there I will be there, I will be there

Up on the catwalk theres street politicians That crawl in from broadway, say then who are you And up on the catwalk theres one thousand postcards From montevideo, say that Ill be home soon Get out of bombay and go up to brixton and look around, to see just what is missing And up on the catwalk, girls call for mother and dream of their boyfriends And I dont know why

I will be there, I will be there, I will be there I will be there, I will be there

Tonight, under the crystal light, Ill tell you everything I need Tonight, under the crystal light, surrender everything to me

Up on the catwalk, and you dress in waistcoats And got brilliantino, and friends of kim philby You float through the night time, like manna from heaven But what, what do I know, and just what do I know And up on the catwalk, in sweat that glistens And I dont know why and I dont know why I dont know why

I will be there, I will be there, I will be there I will be there, I will be there

Tonight, under the crystal light, Ill tell you everything I need Tonight, under the crystal light, surrender everything to me

Angel angel angel angel Ah huh ah huh ah huh One thousand names that spring up in my mind One thousand names that spring up in my mind Like deodata, michaelangelo, robert de niro, so many others Natasia kinski and martin luther - theres room for others, away from me

Up on the catwalk, up on the catwalk, up on the catwalk I dont know why.
