Can I please come down?

1. Can anybody hear me? Am I talking to myself? My mind is running empty In the search for someone else who doesn't look right through me. It's all just static in my head Can anybody tell me why I'm lonely like a satellite? R: Cause tonight I'm feeling like an astronaut Sending SOS from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgot Can I please come down, cause I'm tired of drifting round and round Can I please come down? 2. I'm deaf from all the silence Is it something that I've done? I know that there are millions I can't be the only one who's so disconnected It's so different in my head. Can anybody tell me why I'm lonely like a satellite? R: Cause tonight I'm feeling... Now I lie awake and scream in a zero gravity And it's starting to weigh down on me. Let's abort this mission now Can I please come down? So tonight I'm calling all astronauts Calling lonely people that the world forgot If you hear my voice come pick me up Are you out there? Cause you're all I've got! R: Cause tonight I'm feeling like an astronaut Sending SOS from this tiny box And I lost all signal when I lifted up Now I'm stuck out here and the world forgot R: Cause tonight I'm feeling like an astronaut Sending SOS from this tiny box To the lonely people that the world forgot Are you out there? Cause you're all I've got! Can I please come down? Cause I'm tired of drifting round and round. Can I please come down? Can I please come down? Cause I'm tired of drifting round and round. Can I please come down? Can I please come down? Cause I'm tired of drifting round and round.
