

# Boom!

## Simple Plan

In a world full of heartache  
Seems like everyone's burning out  
You and me, we did it our way  
And this love ain't running out

We got that fire, that glow  
Whoah  
And I just need you to know

You're my favorite song  
My sing-along  
You shine bright like lighters in the dark.

And you're my clarity  
Best part of me  
You still make my crazy little heart go  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
You still make my crazy little heart  
go boom

We don't need to worry about tomorrow  
Cause these walls will never fall  
I just wanna let the world know  
What we've got's unbreakable

We got it under control  
Whoah  
We're good, we're solid, we're gold

You're my favorite song  
My sing-along  
You shine bright like lighters in the dark.

You're my clarity  
Best part of me  
You still make my crazy little heart go  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
Boom  
Bo-Bo-Bo-Bo-Bo-Bo-Bo  
You still make my crazy little heart  
go boom

Crazy little heart go  
Crazy little heart go  
Crazy little heart go  
And now I never wanna let go  
Crazy little heart go  
Crazy little heart go  
You still make my crazy little heart go

Crazy little heart go  
Crazy little heart go  
And now I never wanna let go

You're my favorite song  
My sing-along
