

# I Can Wait Forever

## Simple Plan

1. You look so beautiful today  
When you're sitting there it's hard for me to look away  
So I try to find the words that I could say  
I know distance doesn't matter but you feel so far away  
  
And I can't lie, but every time I leave my heart turns gray  
And I wanna come back home to see your face tonight  
Cuz I just can't take it

R: Another day without you, with me  
Is like a blade that cuts right through me  
And I can wait, I can wait forever  
When you call, my heart stops beating  
When you're gone, it won't stop bleeding  
I can wait, I can wait forever

2. You look so beautiful today  
It's like every time I turn around, I see your face  
The thing I miss the most is, waking up next to you  
When I look into your eyes, man I wish that I could stay  
  
And I can't lie, every time I leave my heart turns gray  
And I wanna come back home to see your face  
And I cuz I just can't take it

R: Another day without you, with me  
Is like a blade that cuts right through me  
And I can wait I, can wait forever  
(I can wait forever)  
When you call, my heart stops beating  
When you're gone, it won't stop bleeding  
I can wait I can wait, I can wait forever

\*: I know it feels like forever  
I guess it's just the price I gotta pay  
But when I come back home  
To feel your touch, makes it better  
Until that day there's nothing else I can do  
"And I just can't take it"  
(I just can't take it)

R: Another day without you, with me  
Is like a blade that cuts right through me  
And I can wait I, can wait forever  
(I can wait forever)  
When you call, my heart stops beating  
When you're gone, it won't stop bleeding  
I can wait, I can wait, I can wait forever!
