

Kiss Me Like Nobody's Watching

Simple Plan

I wanna paint it on every wall
And shout it out up and down the halls
I wanna post it in shining lights
cuz' I just can't keep me bottled up inside
I wanna call out every single person I know
Write a song and play it on the radio
Stick a message in a bottle then I let it go

Whoah
I don't care what people might think
I got your name in permanent ink
Cuz baby this ship ain't never gonna sink

Whoah
So kiss me like nobody's watching
Yeah, people are talking
It doesn't matter what they say
Just kiss me (just kiss me)
In the middle of the street
To let the whole world see
That there's nobody else for me

Na na na na na na na na
There's nobody else for me

People around us are cynical
Go ahead and say that we are typical

whoah
True love is dead, well that's a lie
Cuz' we'll be together till' the end of time

Now i'm burning up, I'm speaking in tongues
Listen to my heart, it's beating like a drum
I'm screaming your name at the top of my lungs

whoah
I don't care what people might think
I got your name in permanent ink
Cuz baby this ship ain't never gonna sink

Whoah
So kiss me like nobody's watching
Yeah, people are talking
It doesn't matter what they say
Just kiss me (just kiss me)
In the middle of the street
To let the whole world see
That there's nobody else for me

Na na na na na na na na
There's nobody else for me

I wanna call out every single person I know
Write a song and play it on the radio
I don't care what people might think
I got your name in permanent ink

Cuz baby this ship ain't never gonna sink

So kiss me like nobody's watching
Yeah, people are talking
It doesn't matter what they say
Just kiss me (just kiss me)
In the middle of the street
To let the whole world see
That there's nobody else for me

Na na na na na na na na
For me
There's nobody else for me
Na na na na na na na na
For me
There's nobody else for me
