

# Last One Standing

## Simple Plan

How many times are you gonna try to shut me out?  
I told you once, told you twice, I ain't gonna turn back around  
You can say whatever, try to mess with me  
I don't care, I'm not scared  
You don't have to say your sorry, save your sympathy  
With a friend like you, I don't need an enemy  
I would give you time if you were worth it  
But guess what, you're not worth it

Whoa-oh, whoa-oh, I'm always gonna be the last one standing  
Whoa-oh, whoa-oh, 'cause I'm never gonna give up trying  
And now I'm ready to go, I'm here, I'm waiting for you  
And I'm gonna be the last one standing  
The last one standing

Did you think that I would surrender easily?  
Just like that, you were getting rid of me  
Is that the way you saw it all go down?  
I don't think, I don't think so  
There's not a word you can say I haven't heard before  
So give it up, give it up unless you want a little more  
You think you're pretty tough, so let's throw down  
It's alright, I'm alright

Whoa-oh, whoa-oh, I'm always gonna be the last one standing  
Whoa-oh, whoa-oh, 'cause I'm never gonna give up trying  
And now I'm ready to go, I'm here, I'm waiting for you  
And I'm gonna be the last one standing

I won't give up, I keep trying  
(I'm always gonna be the last one standing)  
It's not over, I keep fighting  
(I'm always gonna be the last one standing)  
I won't give up, I keep trying  
(I'm always gonna be the last one standing)  
It's not over, I keep fighting  
I keep fighting!

Whoa-oh, whoa-oh, I'm always gonna be the last one standing  
Whoa-oh, whoa-oh, 'cause I'm never gonna give up trying  
And now I'm ready to go, I'm here, I'm waiting for you  
And I'm gonna be the last one standing [x2]

Whoa-oh, whoa-oh, the last one standing [x2]
