

# Perfect World

## Simple Plan

I never could've seen this far  
I never could've seen this coming  
Seems like my world's falling apart.

Yeah

Why is everything so hard  
I don't think I can deal with the things you said  
I just won't go away

R: In a perfect world  
This could never happen  
In a perfect world  
You still be here.  
And it makes no sense  
I could just pick up the pieces  
But to you  
This means nothing  
Nothing at all

I used to think that I was strong  
Until the day it all went wrong  
I think I need a miracle to make it through

Yeah

I picture I could bring you back  
I picture I could turn back time  
Cuz I can't find my way  
Yeah  
Without you I just can't find my way

R: In a perfect world...

I don't know what I should do now  
I don't know where I should go  
I'm still here waiting for you  
I'm lost when you are not around  
I need to hold on to you  
I just can't let you go

Yeah

Yeah

R: In a perfect world...  
+ Nothing, nothing at all  
Nothing at all.
