

Singing in the Rain

Simple Plan

I'm reading through the sunday paper,
And it's all bad news (it's all bad news).
I'm looking for a smile on the street,
But there's just no use (just no use).

Sing with me now:
Singing in the rain up in the rain,
Singing in the rain up in the rain.

I'm dropping to my car, turn the key,
But it just won't start (no, it just won't start).
I got a text from my ex, it's official,
She just broke my heart (she just broke my heart).

Storm clouds are circling around,
But I won't let that shit drive me down!

So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
I got a song in my heart and I'm bulletproof,
There's nothing in the world that's gonna kill this mood.
No matter what life wants to throw my way,
I'll be singing, I'll be singing in the rain.
Singing in the rain up, in the rain,
Singing in the rain up, in the rain.

I went to see a fortune teller,
And she said I'm doomed (she said I'm doomed).
Oh, no, oh, no!
But what the hell does she knows?
Was she trying to break my groove? (Now she trying to break my groove?)
All of life colours turn to grey,
Then you turn around and you smile my way.
Suddenly all my problems disappear on queue.
(All because of you)

Storm clouds are circling around,
But I won't let that shit drive me down!

So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
I got a song in my heart and I'm bulletproof,
There's nothing in the world that's gonna kill this mood.
No matter what life wants to throw my way,
I'll be singing, I'll be singing in the rain.
Singing in the rain up, in the rain,
Singing in the rain up, in the rain.

Even when things shake, earthquake,

No one can never steal this smile even if they fail me.
And see lately, it's been crazy,
But it's okay alright, see everything wotrhy.
And we living life in fast lane, no mattr what, I'ma won't chance.
Rock city, no pretty, tell them what, I'ma not stop plaing.
Are you feeling good? Feeling great?
No matter what, it won't see me break.
In the rain singing this tune, 'cause life is what I appreciate.

Storm clouds are circling around,
But I won't let that shit drive me down!
No, no, no, no, no, no, no!

So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
So I'll be singing (I'll be singing),
I'll be singing (I'll be singing),
I'll be singing in the rain (singing in the rain).
I got a song in my heart and I'm bulletproof,
There's nothing in the world that's gonna kill this mood.
No matter what life wants to throw my way,
I'll be singing, I'll be singing in the rain.
Singing in the rain up, in the rain,
Singing in the rain up, in the rain...
