

The End

Simple Plan

I see you next to me but still you feel so far away
Where did we go wrong?
I guess this is part when you look at me and say goodbye

Don't, don't let me go
It's not the end
Girl you know,
It's not so bad
It's not the end
You know it's not the end

What can I do when you're gone?
When it feels so wrong?
What can I say to make you wanna stay?
So what can I do?
Don't leave me this way!
Cause it feels so wrong
Stop all these games
Cause I just can say goodbye
