The End

Simple Plan

I see you next to me but still you feel so far away Where did we go wrong? I guess this is part when you look at me and say goodbye

Don't, don't let me go It's not the end Girl you know, It's not so bad It's not the end You know it's not the end

What can I do when you're gone? When it feels so wrong? What can I say to make you wanna stay? So what can I do? Don't leave me this way! Cause it feels so wrong Stop all these games Cause I just can say goodbye
