

# Time To Say Goodbye

## Simple Plan

I just don't want to waste another day,  
I'm trying to make things right,  
But you shove it in my face,  
And all those things you've done to me, I can't erase,  
And I can't keep this inside,  
It's time to say goodbye!

On the first day that I met you,  
I should've known to walk away,  
I should have told you, you were crazy,  
And disappeared without a trace,  
But instead I stood there waiting,  
Hoping you would come around,  
But you always found away to let me down,  
It's time to say goodbye!

R: I just don't want to waste another day,  
It's time to say goodbye,  
Nothing will ever be the same,  
It's time to say goodbye,  
You make me sick, I need to walk away,  
It's time to say goodbye,  
It's time to say goodbye!

After all the things I've done for you,  
You never tried to do the same,  
It's like you always play the victim,  
And I'm the one you always blame,  
When you need someone to save you,  
When you think you're gonna drown,  
You just wrap your arms around me, and pull me down,  
It's time to say goodbye!

R: I just don't want to waste another day,  
It's time to say goodbye,  
Nothing will ever be the same,  
It's time to say goodbye,  
You make me sick, I need to walk away,  
It's time to say goodbye,  
It's time to say goodbye!

\*: Now I'm gone, it's too late,  
You can't fix your mistakes,  
I was trying to save you, from you,  
So you scream, so you cry,  
I can see through your lies,  
You're just trying to change me  
(Trying to change me)

Somewhere in the distance,  
There's a place for me to go,  
I don't want you to hate me,  
But I think you need to know,  
You're weighing on my shoulders,  
And I'm sick of feelin' down,

So I guess it's time for me to say GOODBYE!
