## Simple Plan

I open my eyes  
I try to see but I'm blinded by the white light  
I cant remember how  
I cant remember why  
Im lying here tonight  
And I cant stand the pain  
And I cant make it go away  
No I cant stand the pain

How could this happen to me  
I made my mistakes  
Ive got no where to run  
The night goes on  
As Im fading away  
Im sick of this life  
I just wanna scream  
How could this happen to me  
Everybodys screaming  
I try to make a sound but no one hears me  
Im slipping off the edge

Im hanging by a thread  
I wanna start this over again  
So I try to hold onto a time when nothing mattered  
And I cant explain what happened  
And I cant erase the things that Ive done  
No I cant

How could this happen to me  
I made my mistakes  
Ive got no where to run  
The night goes on  
As Im fading away  
Im sick of this life  
I just wanna scream  
How could this happen to me

I made my mistakes  
Ive got no where to run  
The night goes on  
As Im fading away  
Im sick of this life  
I just wanna scream  
How could this happen to me
