Simple Plan

I open my eyes
I try to see but I'm blinded by the white light
I cant remember how
I cant remember why
Im lying here tonight
And I cant stand the pain
And I cant make it go away
No I cant stand the pain

How could this happen to me
I made my mistakes
Ive got no where to run
The night goes on
As Im fading away
Im sick of this life
I just wanna scream
How could this happen to me
Everybodys screaming
I try to make a sound but no one hears me
Im slipping off the edge

Im hanging by a thread
I wanna start this over again
So I try to hold onto a time when nothing mattered
And I cant explain what happened
And I cant erase the things that Ive done
No I cant

How could this happen to me
I made my mistakes
Ive got no where to run
The night goes on
As Im fading away
Im sick of this life
I just wanna scream
How could this happen to me

{SOLO}

I made my mistakes
Ive got no where to run
The night goes on
As Im fading away
Im sick of this life
I just wanna scream
How could this happen to me
