Your Love Is A Lie

Simple Plan

I fall asleep by the telephone It's 2 O'clock and I'm waiting up alone Tell me where have you been? I found a note with another name You blow a kiss but it just don't feel the same Cause I can feel that you're gone

I can't bite my tongue forever While you try to play it cool You can hide behind your stories But don't take me for a fool!

You can tell me that there's nobody else (But I feel it) You cen tell me that you're home by yourself (But I see it) You can look into my eyes and pretend all you want But I know, I know Your love is just a lie (lie) It's nothing but a lie (lie)

You look so innocent But the guilt in your voice gives you away Yeah You know what I mean How does it feel when you kiss when you know that I trust you And do you think about me when he fucks you Could you be more obscene?

So don't try to say you're sorry Or try to make it right Don't waste your breath because too late, too late

You can tell me that there's nobody else (But I feel it) You cen tell me that you're home by yourself (But I see it) You can look into my eyes and pretend all you want But I know, I know Your love is just a lie (lie) It's nothing but a lie (lie) You're nothing but a lie (3x)

You can tell me that there's nobody else (But I feel it) You cen tell me that you're home by yourself (But I see it) You can look into my eyes and pretend all you want But I know, I know Your love is just a lie (lie) I know you're nothing but a lie (lie)

Your love is just a lie.
