```
Some people out there are tryin' to bring me down
But I won't let 'em
No I won't let 'em
Some people out there really let me down
I don't regret 'em
But I won't forget 'em
I love my life
Love my wife
And my baby
Some people are suggestin' maybe I should leave town
But I ain't leaving (no no no)
I ain't leaving (no no no)
No I ain't leaving (no no no)
No I ain't leaving (no no no)
I don't do down (don't do down)
No I don't do down (don't do down)
I don't do down (don't do down)
I don't do down (don't do down)
No I don't do down (don't do down)
If you need some lovin' soul
I promise I won't let you down
I'll be right here
Let me tell you
I will be right here
Come on
Cos I I ain't leaving (no no no)
I ain't leaving (no no no)
No I ain't leaving (no no no)
I ain't leaving (no no no)
No, no, no (no no no)
I don't do down (don't do down)
No I don't do down (don't do down)
I don't do down (don't do down)
Come on, hit it
Hey
I ain't leaving (no no no)
I ain't leaving (no no no)
No I ain't leaving (no no no)
I ain't be leaving (no no no)
I ain't gonna be leaving (no no no)
I ain't leaving (no no no)
```

```
I ain't leaving (no no no)
I ain't leaving (no no no)
No, no, no (don't do down)
I don't do down (don't do down)
No, No
Hey
Hit it now
```
