

# I Know You Got Soul

Simply Red

You got it  
You got it  
You got it  
You got  
I know you got soul, hey  
If you didnt you wouldnt be in here  
I know you got soul, hey  
If you didnt you wouldnt be in here  
I know you got the feeling, hey  
The way you move it over there  
I know you got the feeling  
The way youre pumping up there  
Dont let those greenbacks fool you  
I know you dont like a faker  
Tighten up your game  
And shake your money maker  
Say yeah  
Say yeah  
Say yeah  
Say yeah  
I know you got soul, hey  
If you didnt the beat wouldnt move you  
I know you got soul, hey  
If you didnt the beat wouldnt move you  
I know you got the feeling, hey  
The way you shook that thing  
Hit me with the beat  
Cos I didnt want to sing  
Dont let nobody stop you  
From having yourself a ball  
You better keep right on dancing  
Dancing in this hall  
Say yeah  
Say yeah  
Say yeah  
Say yeah  
I know you got it  
I know you got it  
I know you got it

I know you got soul, hey  
If you didnt you wouldnt be in here  
I know you got soul, hey  
If you didnt you wouldnt be in here  
I know you got the feeling, hey  
The way you move it over there  
I know you got that feeling  
See you moving over here  
Dont let those greenbacks fool you  
I know you dont like a faker  
Tighten up your game  
And shake your money maker  
Say yeah  
Say yeah  
Say yeah  
Say yeah  
I know you got it

I know you got it

I know you got soul, hey  
If you didnt you wouldnt be in here  
I know you got soul, hey
