

# Lost Weekend

Simply Red

(Sunshine in my soul)  
(Sunshine in my soul)

My lost weekend  
Been more now than a year  
Oh I hoped not  
'Cause since you put me down  
My world merely spins around  
Did you play me for your fool?  
Oh honey, I know you didn't mean to

'Cause you tremble with a problem  
You carry the weight of pain from the past

The sunshine in my soul is here to tell you  
That pain doesn't have to last  
The love that's in my heart is here to pray  
That pain will go away  
Feel it honey  
Blowin' away

My lost weekend  
More now than a year  
Oh and it goes on  
'Cause since you let me down  
My world merely spins around  
Did you play me for your fool  
Oh honey I know you didn't mean to

'Cause you're pent up with a problem  
You carry the weight of pain from the past

The sunshine in my soul is here to tell you  
That pain doesn't have to last  
The love that's in my heart is here to say  
That pain will go away

The sunshine in my soul is here to tell you  
That pain doesn't have to last no, no  
The love that's in my heart is here to pray  
That pain will go away

Watch that pain go away

Feel it honey  
Blowin' away

My lost weekend
