

Take a Good Look

Simply Red

Take a good look at yourself
Take a good look at yourself
Are you happy with what you see?
Have you become all that you wanted to be?

You wanted to know
What in the world was giving you
But now you've found out, yeah
This earth don't owe you a single thing

Take a good look at yourself
Take a good look at yourself
Will you climb the mountain
And reach the top?
Live the life you need and never give up
Take a good look at yourself
Take a good look at yourself

You wanted to know
What in the world was giving you
But now you've found out, yeah
This earth don't owe you a single thing

Take a good look at yourself
Take a good look at yourself
Take a good look at yourself
Take a good look at yourself
