

The Air That I Breathe

Simply Red

If I could make a wish I think I'd pass
Can't think of anything I need
No cigarettes, no sleep, no light, no sound
Nothing to eat no books to read
Making love with you, has left me peaceful warm inside
What more could I ask
There's nothing left to be desired

Sometimes all I need is the air that I breathe and to love you
All I need is the air that I breathe yes to love you
Just to have you now
All I need is the air that I breathe you're all I want

Peace came upon me and it breathes in me
Don't sleep silent angel don't you sleep

Sometimes all I need is the air that I breathe and to love you
just to have you now
All I need is the air that I breathe yes to love you
All I need is the air that I breathe you're all I want

Sometimes all I need is the air that I breathe and to love you
All I need is the air that I breathe yes to love you
All I need is the air that I breathe

Sometimes all I need is the air that I breathe and to love you
All I need is the air that I breathe yes to love you
All I need is the air that I breathe
