

# Newborn Tomorrow

Sinbreed

Watch! Behold! Sin's burning heart  
Among the seeds of man  
Defenders of an unknown truth  
What is to come? All things undone? Never!  
Many kings who came are gone failing how to lead  
Blackened forecast has been told  
Thy conscience is clean? Sinner unseen? Never!

Reveal the fears and mysteries that fool your mind  
Don't wait to leave 'em all - the time has come

We're heading North, are about to leave  
Come face your fear beneath  
A newborn tomorrow - starting from today  
We'll conquer all that lies ahead  
Won't regret the blood's been shed  
A newborn tomorrow - at the break of day

None who is of woman born shall rule the life of man  
Bound in chains or free at will  
Living a lie? All set to die? Never!  
Time has come to raise thy head to overrule the past  
The chance is here, leave it all behind  
We will stand strong! Serve who has won! Prevail!
