

# Hydroplane

Sinch

It seems like you've always known  
Exactly what to say  
And meanwhile I never know what to do  
With myself when I get this way

So I'm walking on  
Take comfort in all the nights we shared  
I guess I'm walking on  
Cause there's nothing left inside of me that cares

I'm sorry that I can't deny  
Feelings that I've put aside  
And I've wasted my time for so long  
So tell me how could this go up

In flames when I've been waiting  
The return of blood

It seems like you've always known  
Things would turn out this way  
Sometimes you never know  
What can happen on any given day  
It seems like you've always known  
Things would turn out this way
