Sinch

I don't want to feel this way, I don't want to pretend that the  
se feelings don't  
exist  
But I'm aware, yet so afraid I'll make mistakes I'll always regret,  
And by the way, would it be O.K., if we went our separate ways,  
just to see  
I don't want to hide the truth, but I can see you through jaded  
eyes my faded broken gaze  
It strays away, and I am afraid that I'll make mistakes I'll always regret  
And by the way, would it be O.K., if we went our separate ways  
Cause I can't breathe  
Sometimes I think that these chains can be broken  
And I can see your eyes, your lying through your teeth and I'm  
aware, this isn't fair  
And by the way, would it be O.K., if we went our separate ways  
To see if in time the shades are drawn back again  
The light reflects upon what might have been  
And I will be here cause I don't mind waiting
